Sandra,

Attached are updated hearing factsheets for your review. OW requested that we send redline/tracked changes versions of previously approved factsheets that we update. So, the attached versions of the factsheets show edits in tracked changes. I left clean hardcopies on your desk for you to mark-up if you prefer.

We are just waiting on the Trash-free Waters/Marine Litter factsheet.

Thanks to Brian and Mindy for their updates/drafts.

Subject: Due March 13th--Hearing Factsheets

Tom, Istie, Brian, and Mindy,

OW sent the call out for Hearing Factsheets for the upcoming House Appropriations Committee hearing scheduled for April 2nd. In preparation for the hearing, please edit/update factsheets for

WOTUS,
401 Certification,
404(c) and Pebble,
404(g) Program Assumption,
and Yazoo Pumps.

We have factsheets from the confirmation hearing (attached) that have been approved and used within the last month to use as starting points.

Additionally, please develop factsheets for

VIDA,
One Federal Decision,
And Trash-free Waters/ Marine Litter.

Our deadline for getting hearing factsheets to OW is next Thursday, 03/14. However, I would appreciate your updates by 03/13 so that I can get John's and Sandra's review and approval of the factsheets by 03/14.

Also, attached is a guide to editing and authoring new factsheets from the confirmation hearing, which will also apply to the factsheets for the budget hearings. Please let me know if you need more info.

Thank you,
Damon
